Call for Papers

The 25th Chitose International Forum on Science & Technology (CIF25) will be held at Chitose Institute of Science and Technology (CIST), Hokkaido, Japan. CIF25 has many scopes in the wide fields of science and technology, including applied chemistry, biology and environmental science, information and communication technology, and computer science. This forum will feature world-class keynote speakers, invited speakers, and regular sessions composed of on-site or on-line oral presentations

ABSTRACTS

An abstract (approximately 250 words), which should follow an IEEE Abstract Format^{†1}, must be submitted for presentation. Abstracts must include the title of the presentation, author(s) name(s), affiliation(s), and email(s). Please submit your abstract via the Google Forms URL provided in the registration acknowledgement. Acceptance/rejection notifications will send to the authors. The abstracts will be opened on the website without any access control.
