

Chitose International Forum on Science & Technology 2025

Call for Sponsors and Exhibitors

We are pleased to announce that the Chitose International Forum on Science & Technology 2025 (CIF25) will be held over two days from September 4 to September 5, 2025, at Public Chitose Institute of Science and Technology.

To make this event more beneficial and accessible to all participants, we are now accepting applications for sponsors and exhibition participants.

We cordially invite your organization to consider this opportunity as part of your corporate promotional strategy.

CIF25 Executive Committee

General Chair Naoto Yoshimoto
